*N.B.*—In the case of either a Society under Act XXI of 1880 or Himachal Pradesh Co-operative Societies Act, 1956 or a Company incorporated under the Companies Act, the Department should require a copy of their resolution above referred to certify correct (either by one of the member of the Governing Committee of the Society or by a Director or Secretary of the Company, as the case may be) authorising the particular executant or executants to sign or to affix the seal. It is, however, not necessary for the persons mentioned above invariably to execute the instrument itself and it is sometimes not convenient for them to do so in person as it involves all the officers in question appearing before the Sub-Registrar and bringing with them the seal of the Society or Company. If they so desire

they may execute a special power of attorney authorising any respectable person—preferably one of their own body—to do all things necessary for the single transaction, viz; “the completion of the instrument” which will be preferred to in the preamble to such power-of-attorney. In that case the power-of-attorney will require to be executed on papers stamped at Rs. 2 and though it need not be registered or authenticated by the Sub-Registrar;

The Director of Industries may require the same to have been attested under section 85 of the Evidence Act.
